

The Premiere Portable Floor For All Events

We realize you have a choice when it comes to the selection of a portable floor—there are numerous things to consider and evaluating one floor from another can be challenging, if not at times a bit confusing.

To aid your evaluation of portable floors, we offer our years of continual customer satisfaction, the countless professional dances held on our floors, the endless list of local and region events our floors have hosted, and the tens of thousands of happy guests that have graced our floors.

For nearly ten years, our floors have made events special and hassle free—weddings, regional shows, celebrations of all occasion.

From our extensive and ongoing experience, we’re confident we can claim ours is the premier portable floor available. And we’re confident you’ll never find a higher quality floor, at such a great value, and backed by such a rich heritage...anywhere.
